Boxgrove's Got Talent

Thursday 28th June saw the return of Boxgrove's Got Talent. Over the last two weeks the children have been working hard practicing their dancing, singing and comic timing. They then performed for their class and each class picked an act to represent them at the event. The event was well organised by pupils in the school council and was presented by our Head Boy (Musa) and Head Girl (Molly), who proved that there could be competition for Phil and Holly of This Morning fame in the future. All of the acts on the day were fantastic and it was a very hard decision for the judges to choose a winner and two runner-ups. The two runner-ups were Odu, Tristin, Joshua, Samira, Sophie and Babara from 2KB and Vanessa from 6EA. The winner of Boxgrove's Got Talent 2018 was Kaydia from 5RB. Well done to all the acts and congratulations to the winner and runner-ups.

Sports Day

On Wednesday 13th June and Thursday 14th June, Reception and Key Stage 1 and Key Stage 2 respectively took part in Boxgrove's annual Sports Day at St Paul's Academy. The weather was excellent and all the children showed themselves to be both fierce competitors and good sports throughout both afternoons. The children competed for their houses and although we cannot reveal the winner until Prize Day the scores were extremely close this year. We would like to thank St Paul's Academy for hosting the event on both days and all the parents who attended and cheered on the children.

France

On Friday 26th May, some of the children from Year 6 at both Boxgrove and Kidbrooke Park departed for their four day residential trip to France.

The children stayed at PGL Chateau de Grande Romaine just outside of Paris. During these four days, the children took part in a number of different activities from abseiling and rock climbing to boat tours of Paris. The children also visited the Stade de France and had to buy their own lunch from a French market. The weather was fantastic and the children even managed to fit in a couple of swimming sessions at the outdoor swimming pool. The children had a fantastic time and we would like to thank the children for their excellent behaviour while they were away.

Sportathon Success

On Wednesday 27th June, some of the children from Year 3 and Year 4 represented the school at Greenwich Sportathon. During this the children took part in many different events throughout the day such as throwing, dancing and even a wheelchair race! The children did extremely well, showed great determination and ended up finishing in second place.

Warmer Weather

A reminder to parents that as the weather gets warmer it is really important that children have a drink in school. It would also be good for children to have sun hats and sun-cream, for them to apply themselves. We have also put some umbrellas on the picnic tables in the playground to provide extra shade when children in Key Stage 2 are eating their lunch.

Healthy Living Week

Monday 11th June to Friday 15th June was Healthy Living Week at Boxgrove. During this week, the children took part in a number of different activities

including research in to healthy living, making a healthy meal, a yoga workshop and wheel chair races. There were also some inter-class competitions and some pupils against staff matches. The pupils against staff matches were very competitive with the staff winning the basketball match and the pupils winning the dodge ball match.

Bike Market

Thank you to all the families and staff who supported the Bike Market on Wednesday 13th June 2018. It was a great success and we hope to hold another bike

market next year. Parents have so far received £86.25 in total. Some bikes are yet to be sold and will be sold at other markets so more families will benefit soon. Nineteen children bought new bikes at the end of the school day and their smiles made it all worthwhile. If you have a bike to sell you can find another bike market near you by visiting the 'Peddle my Wheels' website or following them on Facebook and Twitter. Thank you for your support.

Enterprise Week

Last week, beginning Monday 25th June, was enterprise week. During the week the children

were planning their stalls for the enterprise fair on Friday. Each class had a set amount to spend and they had to decide what they were going to use this for to try and make a profit. The children then ran the stalls and parents and children came and purchased the items produced or took part in the games that the children ran.
