May 2018 Newsletter

Art Week

This week, at Boxgrove, has been art week. The children in all the classes have been working on different pieces of art work from sculpture to sketches and at the end of the week the children shared these at their own art gallery with another class in the school. All of the pieces of art work have been linked in to the classes' current or forthcoming topics. The children in Year 5 also worked with some of the staff from Arty Party to create some new large pieces of art work, on the theme of Shakespeare, which will be installed around the school during the school holidays.

Year 1 Art Gallery

On Thursday 24th May, Year 1 put on an art gallery for parents to showcase the pieces of artwork that the children had been working on this half term. The children produced some landscape scenes similar to those created by Monet. They also created some self-portraits and some pop art inspired by Andy Warhol. Additionally, they added some oil pastel sketches that they had been working on as a part of art week for the parents to enjoy.

Year 4 Boxfest

On Friday 18th May, the children in Year 4 delighted parents, teachers and children alike with the songs that they had composed as a part of their music topic over the last half term. The children took inspiration for lyrics from performance poets, such as Benjamin Zephania. The musical inspiration and application came from the Greenwich Music Hub teachers that they have been learning from all year. The children not only created their own bands and music, they also looked in to the financial side of the music industry and created their own band complete with creative band name in range of merchandise.

Swanage

Last week saw the annual Year 5 trip to Swanage, Dorset. During their week away, the children got to meet dozens of animals at a local

farm and they even got the chance to feed some new born lambs. The children had a tour of Corfe Castle and learnt about the stories of the castles' history and even re-enacted one of the events. The weather was excellent throughout the week and the children managed a couple of afternoons at the beach and even had a paddle in the sea!

Football Success

On Friday 18th May, Boxgrove boys' football team played the last three of their fixtures for the Meridian Football tournament. Arriving at Meridian needing 7 points to win the league, the team faced three difficult opponents. The first game started extremely positively and the boys ran out convincing winners with the match ending 4 - 1. Two of the standout goals in this game were scored by Angel and Archie. The second game was a much closer affair and despite controlling the majority of possession, it was an early goal from Run which gave Boxgrove the three points. Going in to the final game, the boys were feeling confident however the opposition were determined not to give Boxgrove the three points which they so desperately wanted. Michael made some great saves in goal and the boys took one of the few chances of the game to claim the three points. The player of the day for these three games was Run. It is with great pride that we can announce Boxgrove boys' football team have won the league and are the Friday Meridian League Champions. Well done to all of the boys who have taken part in the competition this year. Also, congratulations to our partner school Kidbrooke Park who finished in second place.

Healthy Living in EYFS

During this half term, Nursery and Reception have been learning about healthy living. The children used their enterprise skills to raise

money for school funds. Nursery made juice and sold this to the parents at collection time. They made £10.40. Reception invited their parents to a healthy living cafe to taste recipes they had made in class. They sold these in recipe books for parents to try at home. They raised £4.10. Thank you for all the parents who supported us to raise our grand total of £14.50. Watch this space for more events soon.

Bike Market

On Wednesday 13th June, the school have arranged for a bike market to be held in the school playground. If you have an old, spare or outgrown child's bike, you are invited to bring these to school and leave them with a team of experts. The experts will service the bike and text you with a value they are willing to pay you for the bike. At the end of the school day, all parents can buy another second-hand bike for their children. This is regardless of whether you donated a bike or not. Bikes will be sold on a first come, first served basis. As a school we hope this will improve children's fitness and increase their activity levels, while ensuring that parents get value for money. Please support us at this event!

Breakfast Club

We are delighted to announce that Boxgrove Breakfast Club has spaces. Breakfast club runs from 8:00am-9:00am for children in Reception to Year 6. At Breakfast club the children are given the choice of toast and different cereals that are served from 8:00am-8:30am. There are also games for children to play and in the warmer weather the children also have the choice to play outside. Breakfast club runs from Monday to Friday and costs £6.50 per child per week regardless of the number of days attended.

This newsletter and other important information is also available on the school website:
