

Nursery Newsletter

Our topic this half term is Toys.

In Literacy, We will be reading stories about Toys and listening out for the initial sounds in words.

In Maths, we will be learning the days of the week and how to add one more to any number.

As our topic is Toys, we will concentrate on making our own toys in class and will be visiting Build-a-Bear to make a teddy that we can bring home too!

This half term we will be reading
'Toys in Space' and 'Biscuit Bear.'

Children will be allowed to bring in toys from home and play with these in a designated area of the classroom. Please make sure this is *not your child's favourite toy*, as we cannot accept responsibility if they get damaged. The children can choose to keep the toys in school or take them home at the end of each day.
