

YEAR 3

Summer 1

English

During English this half term, we will be writing a persuasive letter linked to fair trade and sustainability. Additionally, we will be using the knowledge learnt from our creative topic to write instructions for a recipe book. We hope that you can follow the instructions at home and try out the delicious recipes that we will be coming up with!

Maths

During maths this half term, we will be looking at number and place value. We will also be revisiting addition, subtraction and use multiplication and division facts for the 3, 4 and 8 multiplication tables. We will be increasing our understanding of fractions. We will then explore shape further, looking at 2D and 3D shapes, as well as angles. The children will identify and further explore horizontal, vertical, perpendicular and parallel lines. We will also be focusing on adding and subtracting amounts of money.

Science

In science, we will be learning about animals, including humans. We will be able to identify that animals, including humans, need the right types and amounts of nutrition. We will also be able to identify that humans and some other animals have skeletons and muscles for support, protection and movement. We will conduct experiments based on our topic and will be reporting on findings from enquiries. Children will visit the Natural History Museum to see a show which highlights the importance of the oceans and demonstrates why it's help protect our habitat.

Creative

This half term is all about healthy eating. In DT, we will be understanding and applying the principles of a healthy and varied diet as well as designing a meal for a local supermarket. We will also learn about where and how ingredients are grown, reared, caught and processed. In computing, we will be using Microsoft Word to write up our recipe that we will be cooking. We will insert images of us cooking our chosen meals.

PE

This half term, we will be focusing on Athletics. We will be running, jumping, throwing and catching in isolation and in combination. We will also develop flexibility, strength, technique, control and balance. We will then demonstrate improvement to achieve our personal best. Children need the following PE kit on Mondays (3IH) and Fridays (3IH and 3MB): white t-shirt, black or navy bottoms, trainers or plimsolls.

Dates to remember

23rd-27th April- History Week
27th April- 'VE Day' style celebrations
3rd May- Inset Day
4th May- 3MB and 3IH to Natural History Museum
7th May- Inset Day
18th May- 3IH Class Assembly
25th May- Last day of half term

Homework Project

Make a recipe at home. You can take photos/make a presentation to explain what and how you have cooked.

OR

Create a presentation about eating and living healthily.

Due: 25th May

Homework Books

Homework is due in every Thursday morning, though children must bring in their reading records daily. New homework is sent out every Friday.
