

SUMMER 1 – YEAR 6

Welcome back to the new summer term! We have been so impressed with the enthusiasm and dedication the pupils have shown already as they prepare for their forthcoming SATs. These will take place throughout the week commencing **14th May 2017** and they will run for 4 days.

Maths

The children are working extremely hard to consolidate all the mathematical skills they have already learnt this year in preparation for their tests. Each week, the children will also practise their arithmetic and reasoning skills. Weekly homework allows them to practise the skills further at home.

English

We are focussing on improving our grammar and spelling skills and writing across a range of fiction and non-fiction genres. This term, children will be learning to write from different perspectives and viewpoints using animations as our stimulus. We will be embedding our knowledge of everything that we have learned this year to write some spectacular pieces of writing.

Attendance and Punctuality

As SATs are rapidly approaching, it is vital that children are in school, and on time, every day in order to benefit from the revision that will be taking place.

SATs

For the SATs week, school will open at 8:45 and snacks will be provided. This is to ensure children arrive promptly and calmly in order to perform their very best. I am sure you have noticed that children have received special homework books to help with their SATs preparation. Please encourage your child to complete their homework and if there are any issues please see Miss Akintoye or Mr Elliott. Well done to everyone who has been working incredibly

Creative Homework: All The World's A Stage

Towards the end of the half term, we will be starting to rehearse our end of year production (which is still a secret until a later date!) Once we tell you the show that we are doing, we would like you to design the stage and costumes that we could use for our actual performance! Your stages are due on Thursday 24th May.

Dates for your diary

May 3rd: INSET DAY (School closed)

May 7th: May Bank Holiday (School closed)

14th—18th May: SATs week

25th May: France trip

25th May: Last day of half term

8th June: 6EA Class Assembly

Due to SATs coming up, the days of PE have changed slightly:

6EA PE days are Tuesday and Wednesday

6JE PE days are Thursday and Friday
